Hello Kristine.

This e-mail follows up on our discussion regarding the above-referenced document. A hard copy and CD will be sent your way tomorrow via the mail.

I checked our correspondence file and confirmed copies were sent on July 29th. I also noted the document is posted to EPA's Portland Harbor "Gasco Technical Documents" page (2nd item down).

That said, I'm not sure why you didn't receive your copies. Anyway, let me know if you haven't received the document copies late next week.

Thanks again for your call today regarding Siltronic, and have a good evening.
